# Directions to St. Pauli by public transport

## From the central train or bus station:

The easiest way to reach us from the central train/bus station is by bus. At the central station, take the exit towards Mönckebergstraße. Once at street level, you'll find the „Hauptbahnhof/ Mönckebergstraße“ bus stop diagonally opposite the „Saturn“. From here, you can easily take Bus Line 3 towards Trabrennbahn, and alight at the „Bernstorffstraße“ bus stop. If you take the U-Bahn (U3) or S-Bahn (S31, S21), it's best to alight at „Sternschanze“ station, from where we're just a short walk away. A taxi to us from the main station will cost you around EUR 11.00.

## From Hamburg Airport:

The quickest way to reach us is to take Line S1 „Blankenese“ or „Wedel“. Get off the train at „Jungfernstieg“ station, leave by the „Rathausmarkt“ exit and then take Bus Line 3 (Bahrenfeld – Trabrennbahn). After around 12 minutes, alight at the „Bernstorffstraße“ bus stop and you'll have arrived!

## Information for late arrivals:

During the week, public transport is available in the form of night buses. On weekends and bank holidays, the U-Bahn, S-Bahn and buses also operate through the night.
