PARKING: The entire area around Superbude is resident's parking only. Without a parking permit you are not allowed to park at all or you have to pay per hour and can stay for a maximum of 3 hours. We therefore recommend using the surrounding parking garages. Please be careful!

There is an underground garage not too far away from the hotel. It's the garage of the **theatre 'Neue Flora' (Alsenstraße 2)**. Here you can park your car for a fee of **€14,-/day**. From here you either walk back to Superbude (750 m) or you hop on bus line 3 (in the direction of 'Auf dem Sande-Speicherstadt') and hop off again after 3 minutes at the stop called 'Bernstorffstraße'. Now you are standing right in front of our hotel! Wherever you park your car, don't leave any valuables in the car.

For loading and unloading your luggage, you may park in the courtyard for a short time. Unfortunately you cannot stay there because these parking lots are not ours.
